

IMPORTANT MESSAGE

(Extract from a letter written by REV. MASTER to an ABHYASI)

"The Urdu book (COMMENTARY ON TEN COMMANDMENTS) of Sahaj Marg, which I have sent, has been written from a very high state of Super Conscious state, where the reality is revealed only through vibrations. And in it you will find originality right from the beginning till the end. This is my master piece. Read it again and again. You will find each word and each sentence commendable and when you begin to understand, I am sure you will be greatly pleased. Show it to others also and let your friends also read it. If you want more copies, they can be sent from here. Forget about the cost. This is yours only. And you alone have written it. To get the benefit from the book is as good as paying its cost to the author. It is a virtue to make (correct) oneself and to make (guide) others".

Your well wisher,

Sd/-.

RAMCHANDRA.

(Abhvasi's are requested to note the importance of Master's book "Commentary on Ten Commandments " as indicated by Him. They are also requested to note that the other books written by Him are also equally important. Master's books are the source books, for Sri Ram Chandra 's Raja Yoga and they are to be read and understood properly and hence all abhyasis are requested to continue their Sadhana with better understanding of Master's books which are immensely helpful in spiritual advancement. --Editor)
